

Thank you for taking this survey! This library is evaluating its services. **Your responses will help us evaluate and improve the library's technology services.** This project is supported with funding from the Bill & Melinda Gates Foundation.

The survey will ask you some general questions about how you use the library, and how this may have helped you in your life. The survey will also ask specific questions related to the use of the library's computers and Internet connection in the following areas: business, civic engagement, eCommerce, education, employment, eGovernment, health and wellness, and social inclusion.

You must be at least 14 years old to take this survey.

This survey is confidential. You must provide your year of birth, but all other questions are optional, so you are free to not answer any questions you do not want to answer. We expect completing the survey will take 10-15 minutes.
